

can we make sure the text to fit in the box?

COLUMBIA REGIONAL AIRPORT, USA	
From:	Station: USA_MO_Columbia.Rgnl.AP.724450_TMY3
Source:	TMYx
WMO:	724450
Lat/lon:	38.820, -92.220
Elevation:	272 m

I think if the background is white
it might be simpler

List of Climate analysis:

List of Figures

can we use the same order as ou

1 drybulb Monthly Bar	2
2 drybulb Hourly Dot Plot	3
3 Annual Diurnal Resource Heatmap	4
4 Comfort Loads	5
5 Drybulb Temperature Matrix	6
6 Visualization 1	7
7 Visualization 2	8
8 Visualization 3	9
9 Visualization 4	10
10 Visualization 5	11
11 Visualization 6	12
12 Visualization 7	13
13 Visualization 8	14
14 Monthly mean drybulb	15
15 Visualization 10	16
16 di_index Annual Heatmap	17
17 utci_index Annual Heatmap	18
18 pmv_index Annual Heatmap	19

can you try landscape vs portrait

can we brand it ? add our logo and the tool logo ?

38.820°N

background white and add title
Type text here

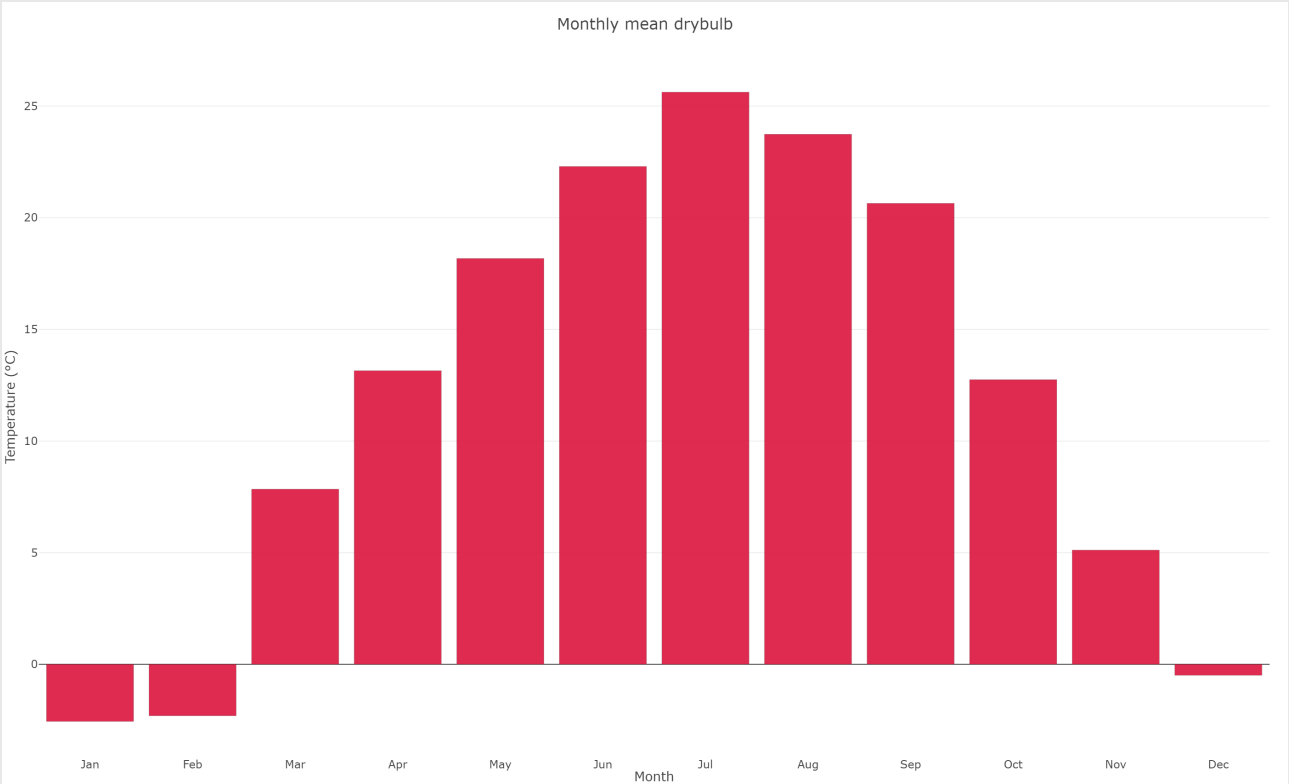

Figure 1: drybulb Monthly Bar.

same as before

38.820°N

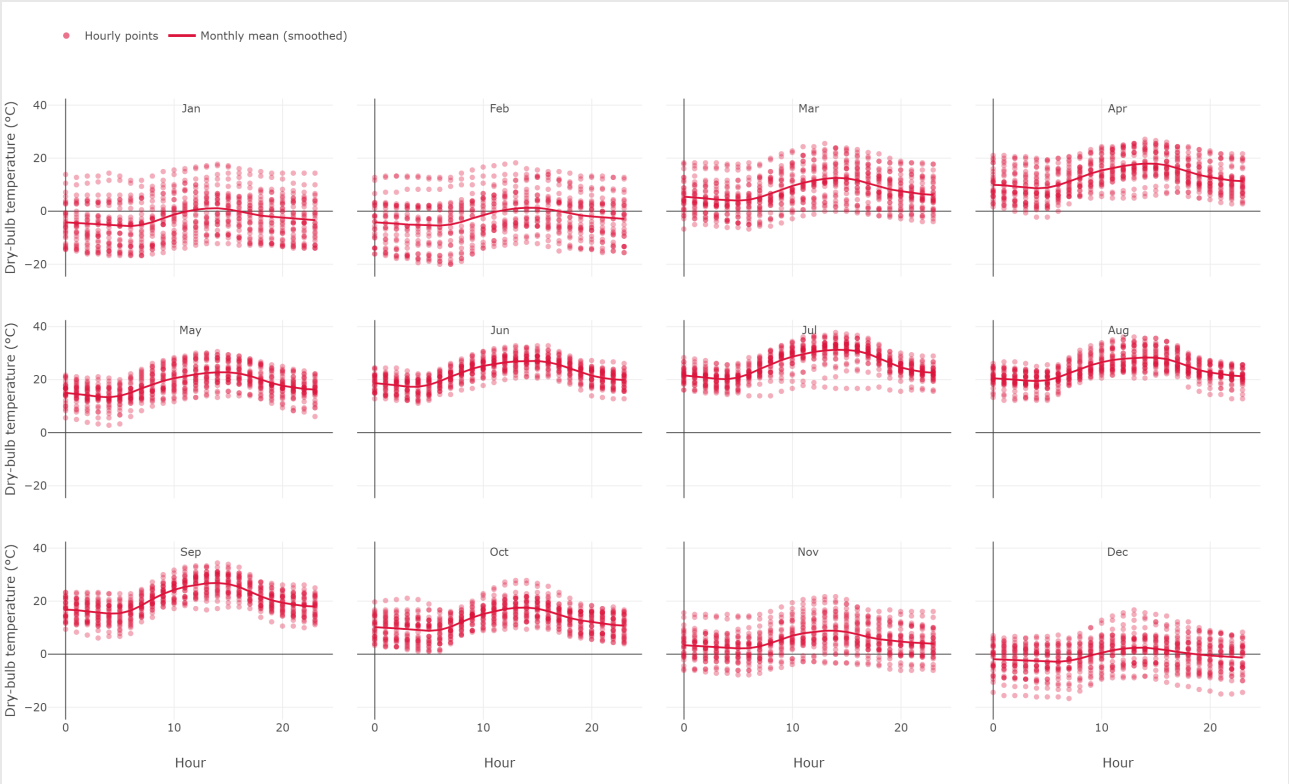

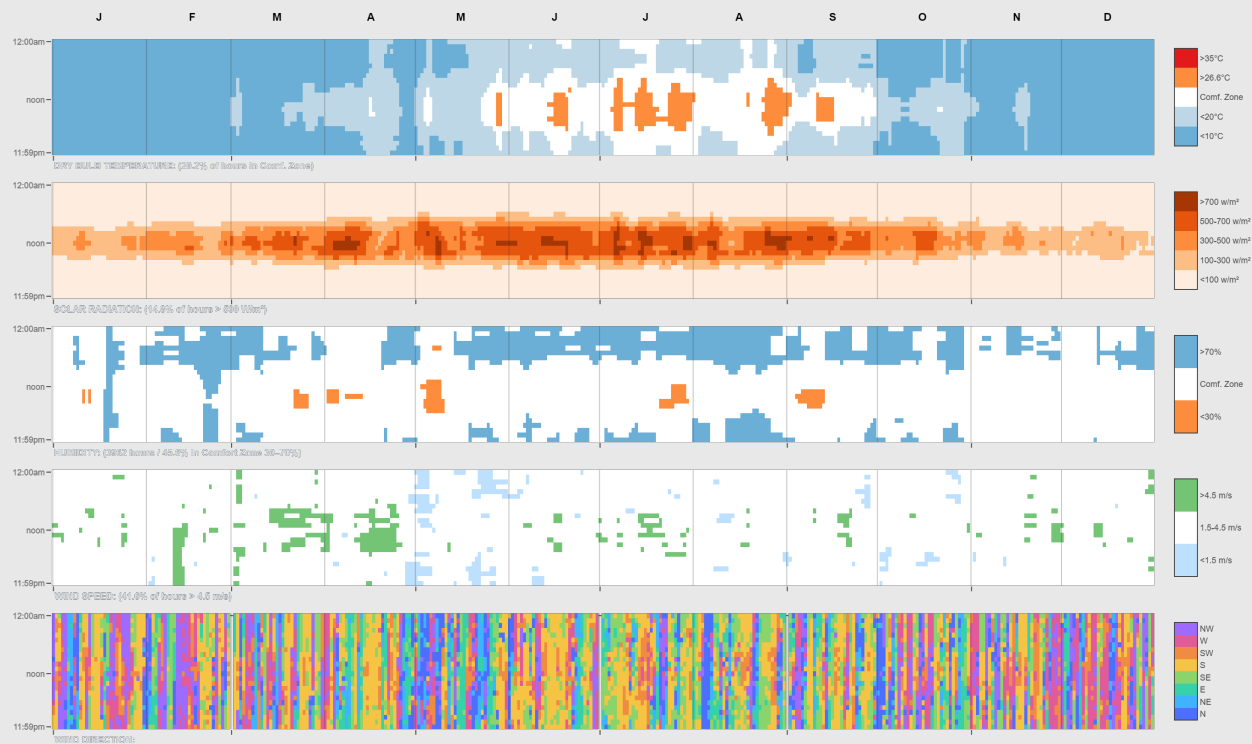

Figure 2: drybulb Hourly Dot Plot.

38.820°N

Start with this one -- Titles in black

can we add a heat map fro cloud cover and presipitation ?

Type text here

Figure 3: Annual Diurnal Resource Heatmap.

38.820°N

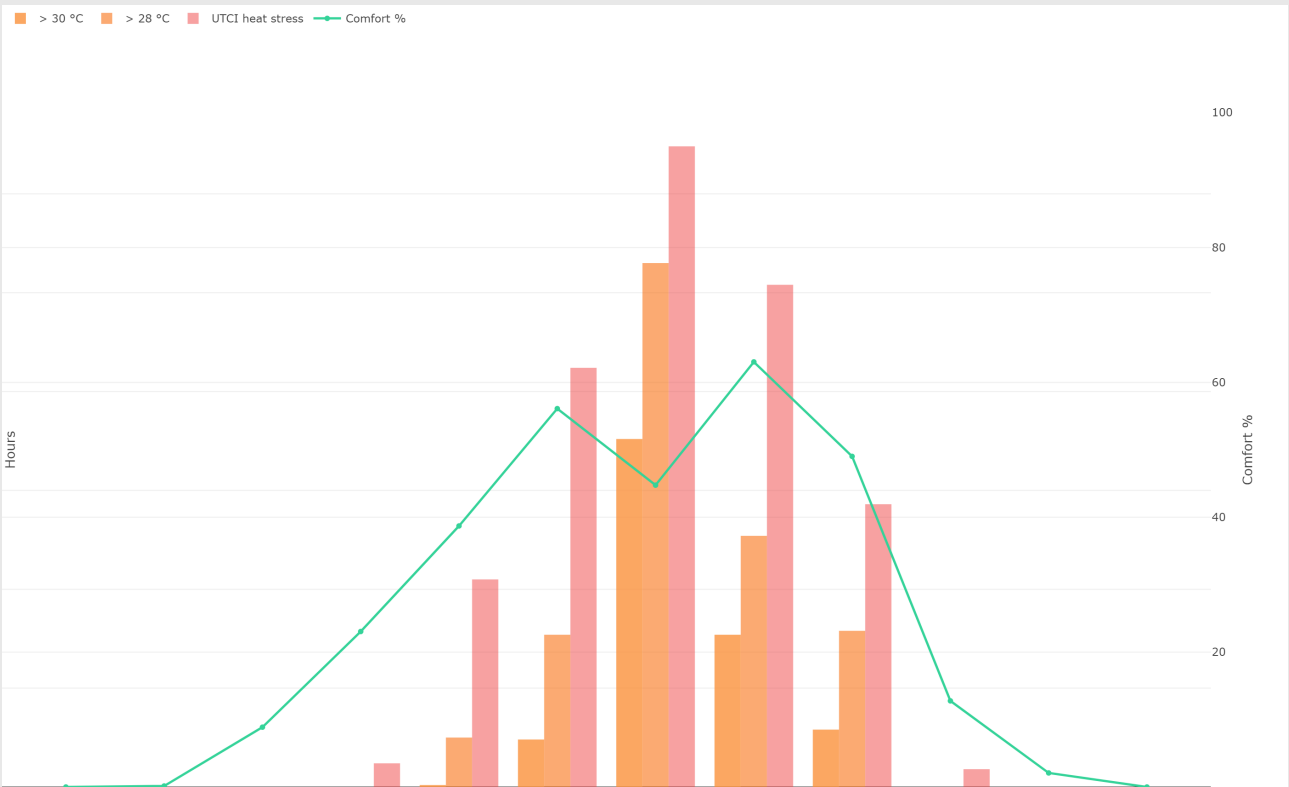

Figure 4: Comfort Loads.

38.820°N

use this second after the heatmaps
is it possible to get it with white background?

Figure 5: Drybulb Temperature Matrix.

38.820°N

remove type text here

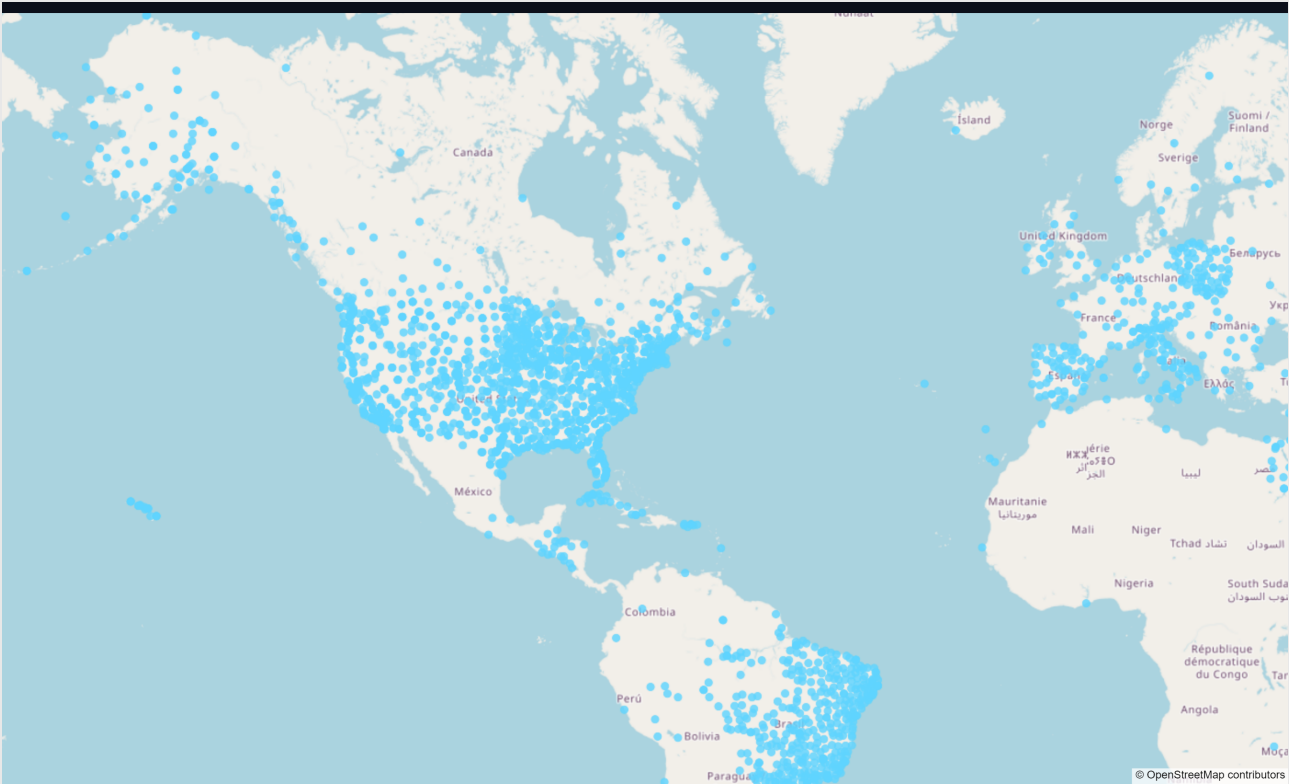

Figure 6: Visualization 1.

38.820°N
